The SleepSoul Heaven mattress puts comfort first. Indulge in multiple layers of plush foam for a deep, restful sleep.

The Heaven mattress includes 1000 individual edge-to-edge pocket springs to support your body in any position.

So whether you're a toss-and-turner, a duvet hogger or a belly flopper, you're guaranteed a comfortable night's sleep with SleepSoul.

The 2cm layer of coolgel allows your body to sink deep into the mattress. It moulds to your sleeping position, helping relieve pressure off your muscles and joints, and even spreads your weight evenly to prevent you from rolling around.

And if that wasn't enough, we've added a luxuriously soft euro top for even more comfort.

Sewn flush with the top of the mattress, the euro top adds a seamless layer of high quality foam. It really must be felt to be believed.
